In 2009, a number of businesses were spotted that had services designed specifically with women and moms in mind. Sure, some of them might be sexist, some of them might be practical, and some of them might be completely strange, but they are what they are and they make up 2009's 15 best businesses for women and moms. This is part two! You can read Part 1 [here](#).

### #8 Best Business for Women and Moms - Bride Survival Kits

**Bridal Emergency Kits**

Bridal [emergency kits](#) are essential, especially for those high-maintenance brides that are likely to panic the second even the slightest thing goes array on their [wedding day](#). The bridal survival kits made by Wedding Emergency Survival Kits come in pretty purses and can help brides deal with any unexpected circumstances with safety pins, double stick tape and stain remover (and

### #7 Best Business for Women and Moms - Shelia's Wheels

Shelia's Wheels

Car insurance exclusively for women is offered by this UK company. Their services might be stereotypical in many ways, though does offer lower rates for safe female drivers and coverage for purse theft. Some of their insurance rates may be competitive, with good services for women who can get past the pink website theme and images of Stepford Wives.

### #6 Best Business for Women and Moms - Pink Ladies

Pink Ladies Taxi

This UK taxi service for women was the first of its kind, but businesses that have followed a similar model have begun to pop up throughout the year! Pink Ladies uses bubblegum pink taxis, and to ensure that women travel safely, they send a text message upon arrival and drivers are trained in self-defense so that safety for women is a priority.
